Maintenance fees are always due on January 1st of each year. If the fees are not paid on January 1 of each year there will be a \$30 late fee added plus 1.5% interest each month on the 1st until the balance is paid.

What if I am an owner who is past due on their maintenance fees during the week of my scheduled arrival?

All owners must be in good standing in order to use their unit. If an owner is arriving after hours, payment arrangements must be made **prior** to arriving at the association in order for keys to be released.

Can owners who are past due on their maintenance, join an exchange company?

No. All attempts to "bank" a unit that is not in good standing will be rejected by the association.

What happens if a relative owned the unit and passed away?

Please send the death certificate to P.O. Box 108, French Lick, IN 47432. Mitzi will contact you with additional information.

I am no longer able to use my unit and am no longer interested in ownership. What are my options?

This association would be disheartened to lose your ownership so please call us so that we can collectively come up with a resolution to help you maintain ownership. Many guests sell their timeshare using many social media outlets such as eBay or Craigslist. You can give the unit away to family and friends by filling out the proper paper work at the recorder's office. Owners can advertise their timeshare unit to other owners at this association in our yearly newsletter and on our website for a fee of \$10.

Finally, this association will take back units using a divesture program. All past due maintenance fees must be paid before beginning this process. The owners first step would be to contact our attorney James Tucker at (812) 723-2313. Mr. Tucker will execute a title search to ensure that there are no liens against the unit and to ensure that the unit has not been banked with an exchange company. To proceed with the divesture, preparation of a Warranty Deed and transferring and recording the Warranty Deed in Orange County, Indiana's Auditor and Recorder's offices would need to take place. An attorney fee of \$150, out of pocket expenses of \$50, title search \$5 and \$25 for the transfer fee would all (\$230 in total) need to be made payable to Tucker and Tucker P.C. A separate check in the amount of \$1000 for red weeks and \$2000 for Blue/White weeks would need to be made payable to French Lick Villas Owners Association.
